

# CUSTOMER SHIPPING NOTICE

With the holiday shopping season upon us, fulfillment times may be prolonged. Our current turnaround time is approximately 3–5 business days before orders leave the Chalk Couture™ fulfillment center.

Fulfillment time may reach up to 7–10 business days due to Black Friday promotional sales launching each Monday in November. As you place orders in November, you will receive the promotional pricing in place at the time you check out, however shipping times may expand beyond an item's sale period.

As we head into the busiest shipping time of the year, keep in mind that the carriers are anticipating longer transit times. Please allow for additional delivery time. We encourage you to place orders for Christmas delivery no later than December 7, 2021.

Chalk Couture is committed to fulfilling and shipping your orders as quickly as possible and working with trusted delivery providers doing their best during a busy time. We'll get glorious Chalk Couture products into your hands as soon as we can!
