

HOW TO: Warm & Cozy

CLUB COUTURE™ PROJECT

RELEASED DECEMBER 2025

Supplies

Club Couture Chalk Transfer® design: Warm & Cozy

Chalkology® Ink Singles: Tide, Couture Teal, and Ocean Mist

Coordinating accessory: Crew Socks (White)

Recommended supplies: Color Trays, Transfer Trimmers or scissors, Ink Mat, Multi-Tool

**Chalkology Ink Singles are subject to change.*

Instructions

1. Knead the Chalkology Ink Singles. Cut the paste singles open and squeeze the desired amount of paste onto a Color Tray, using a new tray for each color.
2. Cut along the provided lines to separate the individual elements from the Transfer.
3. Cut an Ink Mat to fit within each sock and place the Ink Mat pieces inside each sock. This secures the socks in place and prevents ink from bleeding through.
4. Remove the Transfer Backer Sheet and align the Transfer element towards the top of the ankle of the sock. Smooth it out to ensure that it has properly adhered and there are no bubbles or wrinkles.
5. Apply ink over the Transfer element using a squeegee or Multi-Tool. Remove the Transfer element once the design is fully inked.
6. Repeat steps 4-5 for the second sock with a different Transfer element. Allow time for the ink to dry.
7. Immediately clean the Transfer elements with cool water (*do not let them soak*). Dry the Transfer elements flat with the sticky sides up. Once dry, reapply the Transfer Backer Sheets and store flat.
8. Once the ink on your socks has dried, remove the Ink Mats and place the socks on an ironing board. Cover the inked portions with a piece of parchment paper and heat set with an iron using medium heat for 4 minutes per side.
9. Get cozy with your cute socks!
