Supplies

Club Couture Chalk Transfer® design: Bow Trellis Pattern

Chalkology® Ink Singles: Couture Coral, Meadow

Coordinating accessory: Carry-All Pouch (2-Pack)

Recommended supplies: Ink Mat, Color Trays, Mini Squeegee, iron, parchment paper, ironing board

**Chalkology Ink Singles are subject to change.*

Instructions

1. Place an Ink Mat (cut to size) inside the Carry-All Pouch. This secures the pouch in place and prevents ink from bleeding through.
2. Knead the Chalkology Ink Singles. Cut the ink singles open and squeeze the desired amount of ink onto a Color Tray, using a new tray for each color.
3. Remove the Transfer Backer Sheet and center the Transfer on the surface, paying attention to the alignment of the pattern. Smooth it out to ensure that it has properly adhered and there are no bubbles or wrinkles.
4. Generously apply ink over the Transfer element using a squeegee, and then remove the Transfer.
5. Immediately clean the Transfer with cool water (*do not let it soak*). Dry the Transfer flat with the sticky side up.
6. Once the Transfer is dry, repeat steps as necessary until each pouch has been completely inked.
7. Repeat the instructions in step 5 to clean the Transfer again. Once dry, reapply the Transfer Backer Sheet and store flat.
8. Remove the Ink Mat when the ink has dried and place the pouch on an ironing board. Cover the pouch with a piece of parchment paper and heat set with an iron using medium heat for 4 minutes per side. Repeat for the second pouch.
9. Take these cute bows on the go!
