Club Couture Chalk Transfer® design: Journal Entry

Chalkology® Paste Singles: Cadet and Colonial Blue

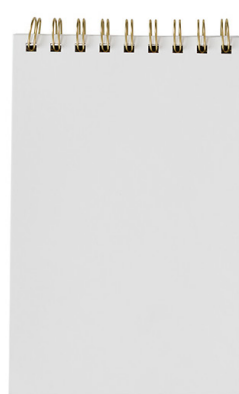

Coordinating accessory: Notepad (4¼" × 7¼")

Recommended supplies: Color Trays, Transfer Trimmers or scissors, Fuzzing Cloth, paintbrush, Multi-Tool

**Chalkology Paste Singles are subject to change.*

Instructions

1. Knead the Chalkology Paste Singles. Cut the paste singles open and squeeze the desired amount of paste onto a Color Tray, using a new tray for each color.
2. Cut along the provided lines to separate the individual elements from the Transfer.
3. Remove the Transfer Backer Sheet from the largest element of the Transfer. "Fuzz" the Transfer element on a Fuzzing Cloth before aligning it to fit the cover of the Notepad. Smooth it out to ensure that it has properly adhered and there are no bubbles or wrinkles.
4. With a paintbrush, layer the paste colors over the Transfer element using loose brushstrokes. Continue until the design is covered. Use a squeegee to evenly spread any excess paste, running it from top to bottom in rows over the Transfer element. Remove the Transfer element.
5. Once the cover has dried, you may repeat the necessary steps to apply additional elements from the Transfer to the back side of the Notepad.
6. Immediately clean the Transfer with cool water (*do not let it soak*). Dry the Transfer flat with the sticky side up. Once dry, reapply the Transfer Backer Sheet and store flat.
7. Write down your next big idea in your custom notepad!
