**Recommended supplies:** Color Trays, Ink Mat, Transfer Trimmers or scissors, Mini Squeegee, hot glue gun, Quick Dry Tool

*\*Chalkology Ink Singles are subject to change.*

## Instructions

1. Knead the Chalkology Ink Singles. Cut the ink singles open and squeeze the desired amount of ink onto a Color Tray, using a new tray for each color.
2. Match each Bunny Buddy with its coordinating piece of fabric. Begin by placing one fabric piece from each pair on an Ink Mat. This secures the fabric in place and prevents ink from bleeding through.
3. Cut along the provided line to separate the Transfer elements for individual use.
4. Remove the Transfer Backer Sheet and apply the Transfer element of your choice over one of the fabric pieces. Smooth it out to ensure that it has properly adhered and there are no bubbles or wrinkles.
5. Apply ink color of your choice over the Transfer element using a squeegee. When the design has been completely inked, remove the Transfer element from the fabric. Allow time for the ink to dry, or you may use a Quick Dry Tool to expedite the drying process.
6. Repeat steps as necessary to ink all remaining fabric pieces.
7. Immediately clean the Transfer elements with cool water (*do not let them soak*). Dry the Transfer elements flat with the sticky side up. Once dry, reapply the Transfer Backer Sheets and store flat.
8. Once the ink on your pillow has dried, remove the Ink Mats and place the pillow on an ironing board. Cover the inked portions with a piece of parchment paper and heat set with an iron using medium heat for 4 minutes per side.
9. Use a hot glue gun to attach the coordinating fabric pieces, carefully inserting stuffing as you secure the sides together.
10. Tie the provided twine around each assembled Bunny Buddy for a sweet finished touch. Cut the twine to your desired length.
11. Find somewhere to feature your new bunny friends this spring season!
