How to...

Follow the steps below to create egg-cellent dimensional décor pieces!

1

Paint it...

In a Color Tray, add a little water to the paste color of your choice. Use a paintbrush to mix, then paint both sides of each egg piece. Allow to dry.

2

Chalk it...

When the paste is dry, adhere the Transfer to the surface and apply paste. Remove the Transfer once chalked. Repeat for all sides. Wash the Transfer between each use.

3

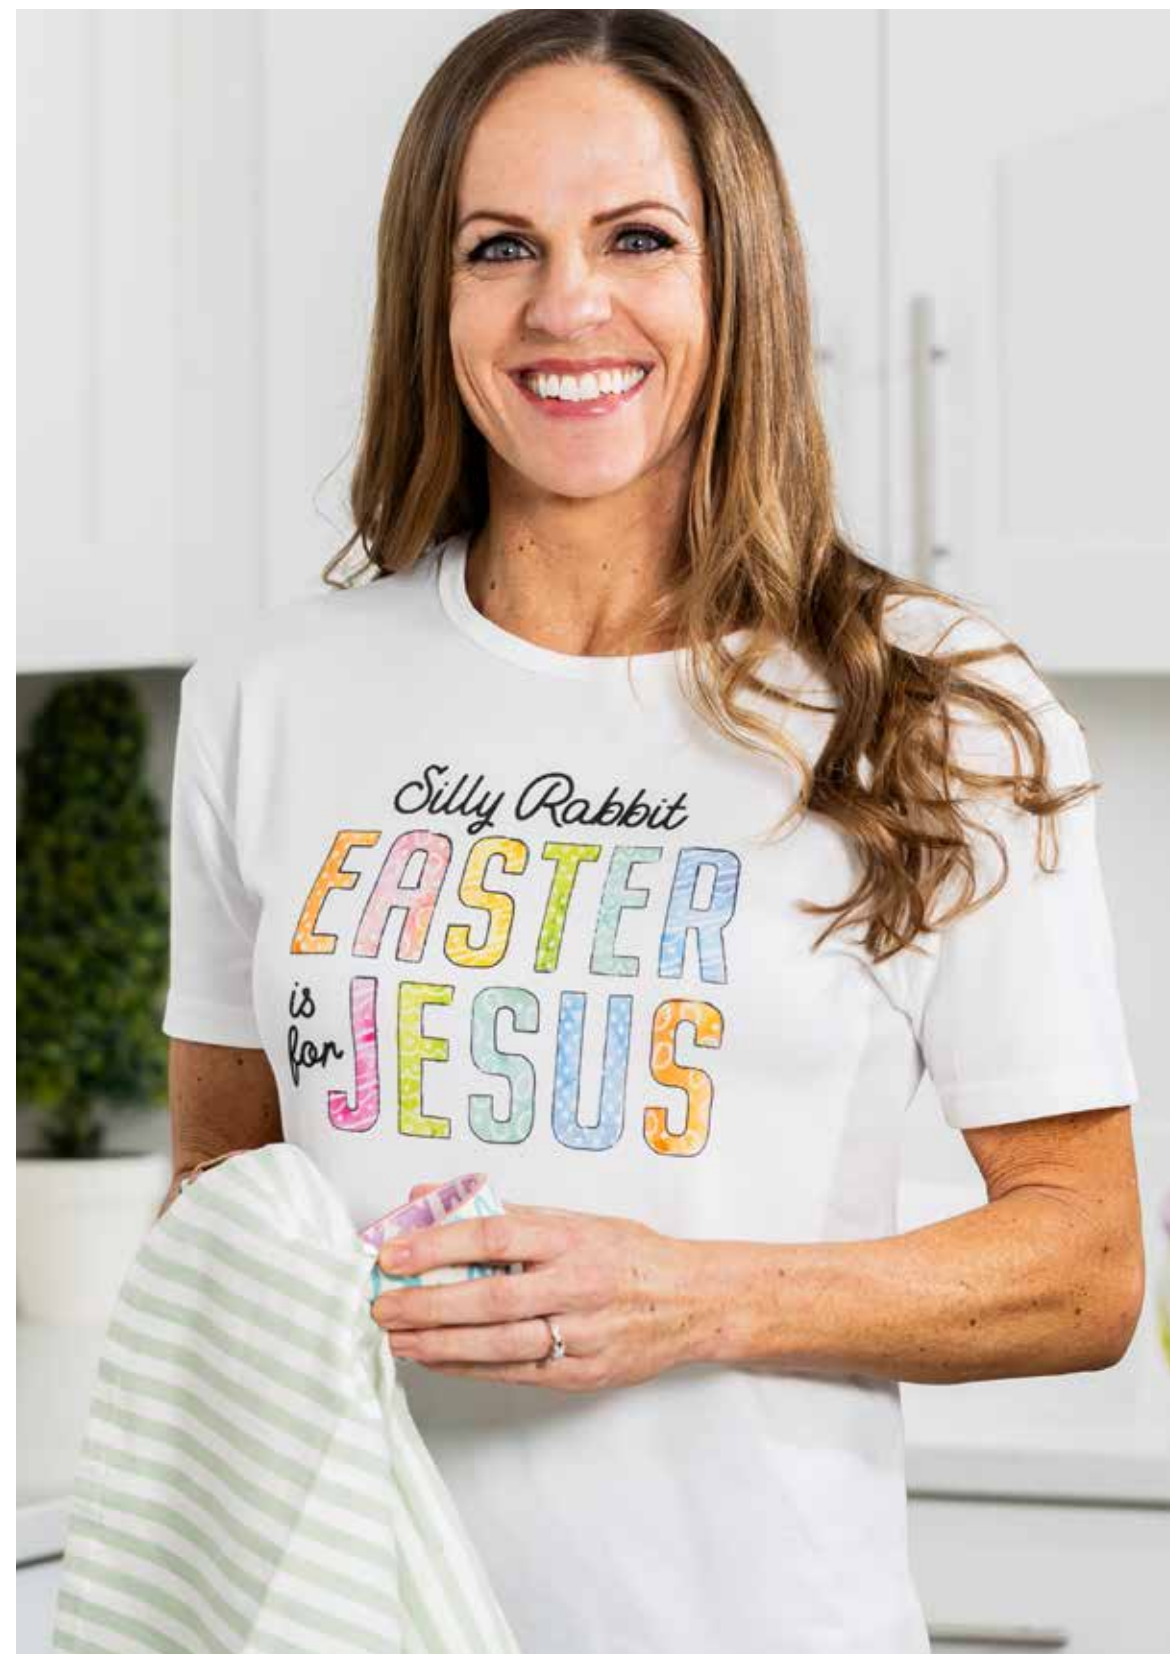

Assemble it!

Once all sides have been chalked and allowed to dry, slot each piece together and display!
