

HOW TO: Nature's Candy

CLUB COUTURE™ PROJECT

RELEASED JUNE 2026

Supplies

Club Couture Chalk Transfer® design: Nature's Candy

Chalkology® Paste Singles: Cherry and Pesto

Coordinating accessory: Square Chubby (5" x 5")

Recommended supplies: Transfer Trimmers or scissors, Color Trays, Fuzzing Cloth, Mini Squeegee, Multi-Tool, Quick Dry Tool

*Chalkology Paste Singles are subject to change.

Instructions

1. Knead the Chalkology Paste Singles. Cut the paste singles open and squeeze the desired amount of paste onto a Color Tray, using a new tray for each color.
2. Cut to separate the individual elements from the Transfer.
3. Remove the Transfer Backer Sheet and "fuzz" the Transfer element on a Fuzzing Cloth. Center the Transfer element on the surface. Smooth it out to ensure that it has properly adhered and there are no bubbles or wrinkles.
4. Apply paste over the Transfer element using a squeegee, using colors as desired. Once chalked, remove the Transfer element.
5. Allow time for the paste to dry. You can use a Quick Dry Tool to expedite the drying process.
6. Immediately clean the Transfer element with cool water (*do not let it soak*). Dry the Transfer element flat with the sticky side up. Once dry, reapply the Transfer Backer Sheet and store flat.
7. Put this cherry-on-top project on display!
