Supplies

Club Couture Chalk Transfer® design: Patterned Chicken

Chalkology® Paste Singles: Bumblebee and Camel

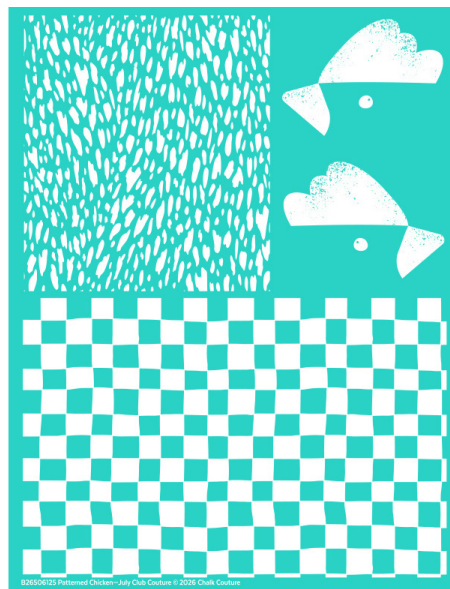

Coordinating accessory: Chicken Chubby

Recommended supplies: Transfer Trimmers or scissors, Color Trays, Fuzzing Cloth, Mini Squeegee, Quick Dry Tool

**Chalkology Paste Singles are subject to change.*

Instructions

1. Knead the Chalkology Paste Singles. Cut the paste singles open and squeeze the desired amount of paste onto a Color Tray, using a new tray for each color.
2. Remove the Transfer Backer Sheet and “fuzz” the Transfer on a Fuzzing Cloth. Align the checkered print portion of the Transfer over the Chicken Chubby’s surface. Smooth it out to ensure that it has properly adhered and there are no bubbles or wrinkles.
3. Apply Bumblebee paste over the Transfer using a squeegee. Once chalked, remove the Transfer.
4. Allow time for the paste to dry. You can use a Quick Dry Tool to expedite the drying process.
5. Align the face portion of the Transfer over the coordinating area of the Chubby’s surface. Apply Camel paste over the Transfer using a squeegee. Once chalked, remove the Transfer.
6. Immediately clean the Transfer element with cool water (*do not let it soak*). Dry the Transfer element flat with the sticky side up. Once dry, reapply the Transfer Backer Sheet and store flat.
7. With the clean Transfer, you may repeat steps to chalk the reverse side with the same checkered print or the other one featured in the Transfer.
8. Find a spot to show off your new feathered friend!
