**Chalkology Paste Singles are subject to change.*

Instructions

1. Knead the Chalkology Paste Singles. Cut the paste singles open and squeeze the desired amount of paste onto a Color Tray, using a new tray for each color.
2. Add a little bit of water to your Color Trays with Espresso and Dune paste. Mix with a paintbrush to create a paint-like consistency.
3. Use a paintbrush to paint the surface of the larger rectangle with watered-down Dune paste. Repeat with watered-down Espresso paste on the smaller rectangle.
4. Allow time for the paste to dry. You can use a Quick Dry Tool to expedite the drying process.
5. Cut to separate individual elements from the Transfer.
6. Remove the Transfer Backer Sheet and "fuzz" the floral Transfer element on a Fuzzing Cloth. Align the Transfer element over the larger rectangle's surface. Smooth it out to ensure that it has properly adhered and there are no bubbles or wrinkles.
7. Apply Bright White paste over the Transfer element using a squeegee. Once chalked, remove the Transfer element.
8. Repeat steps to chalk the "Welcome Home" Transfer element on the smaller rectangle's surface.
9. Immediately clean the Transfer elements with cool water (*do not let them soak*). Dry the Transfer elements flat with the sticky side up. Once dry, reapply the Transfer Backer Sheets and store flat.
10. Once the paste on the rectangles is dry, flip the smaller rectangle over and apply the adhesive dots to each corner of the unfinished side. Align it over the center of the larger rectangle and push down to firmly adhere the rectangles together.
11. Enjoy this adorable everyday décor piece!
