

HOW TO: *Country Heart*

CLUB COUTURE™ PROJECT

RELEASED SEPTEMBER 2026

Supplies

Club Couture Chalk Transfer® design: Country Heart

Chalkology® Paste Singles: Eucalyptus, Vanilla, and Espresso

Coordinating accessory: ChalkSuede™ Sheet (8½" x 11");
Clothespins (3-Pack)

Recommended supplies: Paintbrush, Color Trays, Transfer Trimmers or scissors, Fuzzing Cloth, Mini Squeegee, Quick Dry Tool

**Chalkology Paste Singles are subject to change.*

Instructions

1. Knead the Chalkology Paste Singles. Cut the paste singles open and squeeze a portion of each paste color onto a Color Tray, using a new tray for each color. Set aside some Espresso and Vanilla paste in additional trays for use in a later step.
2. Cut the ChalkSuede sheet into 3 pieces. Use the provided lines on the Transfer as a guide for measurements.
3. Add a little bit of water to your Color Trays (except the additional Espresso and Vanilla paste). Mix with a paintbrush to create a paint-like consistency.
4. Use a paintbrush to paint the surface of each ChalkSuede Sheet with watered-down paste. The larger ChalkSuede Sheet should be painted with Vanilla, while the two smaller pieces can be painted with either Eucalyptus or Espresso. Allow time for the paste to dry. You can use a Quick Dry Tool to expedite the drying process.
5. Cut along the lines to separate individual elements from the Transfer.
6. Remove the Transfer Backer Sheet and "fuzz" the barn Transfer element on a Fuzzing Cloth. Align the Transfer element over the larger ChalkSuede Sheet's painted surface. Smooth it out to ensure that it has properly adhered and there are no bubbles or wrinkles.
7. With the Espresso paste you set aside, apply it over the Transfer element using a squeegee. Once chalked, remove the Transfer element.
8. Repeat steps to chalk the remaining Transfer elements on the smaller ChalkSuede Sheets using Vanilla and/or Espresso paste.
9. Immediately clean the Transfer elements with cool water (*do not let them soak*). Dry the Transfer elements flat with the sticky side up. Once dry, reapply the Transfer Backer Sheets and store flat.
10. Once the paste is dry, clip a clothespin to the bottom of each sheet.
11. Stand each sheet upright on the clothespin for an adorable, rustic-inspired display!
