Supplies

Club Couture Chalk Transfer® design: Preppy Patterns

Chalkology® Paste Singles: Bright White, Shimmer Crimson, Wild Acre

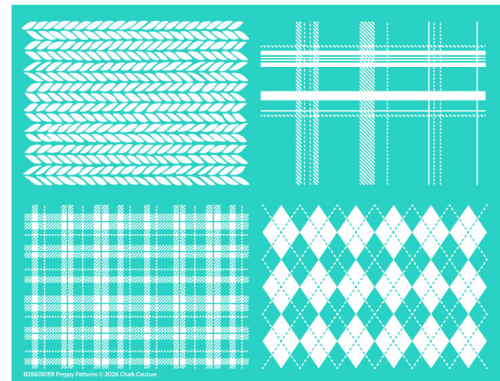

Coordinating accessory: Beanie Ornaments (4-Pack)

Recommended supplies: Paintbrush, Color Trays, Transfer Trimmers or scissors, Fuzzing Cloth, Mini Squeegee, Quick Dry Tool, Placement Tape

*Chalkology Paste Singles are subject to change.

Instructions

1. Knead the Chalkology Paste Singles. Cut the paste singles open and squeeze a portion of each paste color onto a Color Tray, using a new tray for each color.
2. Add a little bit of water to your Color Tray containing Bright White paste. Mix with a paintbrush to create a paint-like consistency.
3. Use a paintbrush to paint the surface of each ornament with watered-down paste. Allow time for the paste to dry. You can use a Quick Dry Tool to expedite the drying process.
4. When the paste is dry, use Placement Tape to separate the brim from the rest of the beanie and create a clean line.
5. Cut to separate individual elements from the Transfer.
6. Remove the Transfer Backer Sheet and “fuzz” the Transfer element on a Fuzzing Cloth. Align the Transfer element over the ornament’s painted surface, above where you marked the Placement Tape. Smooth it out to ensure that it has properly adhered and there are no bubbles or wrinkles.
7. With the Shimmer Crimson or Wild Acre paste, apply color over the Transfer element using a squeegee. Once chalked, remove the Transfer element and Placement Tape.
8. Repeat steps to chalk the remaining Transfer elements on the other ornaments.
9. Immediately clean the Transfer elements with cool water (*do not let them soak*). Dry the Transfer elements flat with the sticky side up. Once dry, reapply the Transfer Backer Sheets and store flat.
10. Once the paste is dry, cut the provided string into four pieces and tie them through the holes in each ornament to create loops by which to hang them.
11. Cozy up your Christmas tree or seasonal garland with your new adorable accessories!
