25. Raquel Vasquez	11217	50. Tara Panasiuk	7133

*Points shown include pending points from recruiting and enrollments. These will not be finalized until the end of the program, based on the status of newly sponsored Designers and newly enrolled Perks Members, so total points earned may be reduced at the program's conclusion. The leaderboard includes points for recruiting once a new Designer has remitted 300PV and a new Perks Member has remitted 200PMV.
